**PLAN MONITORING AND REPORTING**

**Recommendation 7 - Publicize the status of the progress of the Cultural Plan and related projects**

1. Prepare an annual report outlining the progress made on the implementation plan.
2. Host a webpage on the RDNO website that focuses on the Greater Vernon Cultural Plan. This webpage should be kept up-to-date with current and on-going implementation projects, and provide the Terms of Reference, meeting and contact information for the PIAT.

**Recommendation 8 - Monitor the progress of the cultural plan using indicators of success**

1. Use established indicators of success (see 9.2) to evaluate the benefits and effects of the Cultural Plan initiatives.
2. Review the Cultural Plan strategies every three years, and amend when appropriate.
