

ENVIRONMENTAL TECHNICIAN ASSISTANT (STUDENT/SEASONAL)

The North Okanagan is an exceptional place to live, work and play. With its diverse natural beauty, robust economy and extraordinary recreational opportunities, it's no wonder our residents enjoy such an outstanding quality of life. With a regional population of 85,000, the Regional District of North Okanagan offers a wide range of services directly to residents and through partnerships with its six member municipalities.

We have an upcoming opening for the student/seasonal position of Environmental Technician Assistant. The successful candidate has a Grade 12 Diploma, is enrolled in a post-secondary program ideally related to natural resource, environmental or water studies, and holds a valid Class 5 BC driver's licence without restrictions. First Aid certification is considered an asset.

Reporting to the Environmental Technician – Solid Waste, the Environmental Technician Assistant will assist technical staff with field and office work such as sampling, calibration of field equipment, verification of data, data entry and supporting environmental compliance initiatives.

Come be part of a great team who takes pride in their work to enhance the very reasons the North Okanagan is such a great place to live, work and play. This is a full-time position (40 hours/ week) from approximately May 6, 2019 to August 30, 2019 with a wage of \$16.17 per hour plus 16% in lieu vacation, statutory holidays and all other benefits.

**Resumes with covering letters, quoting Competition No. 19-03, will be accepted
until 4:00 p.m. on Friday, March 1, 2019 to:**
