

GIS TECHNOLOGIST (REGULAR, FULL TIME)

The North Okanagan is an exceptional place to live, work and explore. With its diverse landscapes and extraordinary recreational opportunities, our residents enjoy a comfortable balance of work-life activities. With a regional population of 85,000, the Regional District of North Okanagan offers a wide range of services directly to residents and through partnerships with its six member municipalities.

We have an immediate opening for the position of Geographic Information Systems (GIS) Technologist. The successful candidate will have a technical diploma, or an applied degree in GIS or Computer Sciences, and hold a valid Class 5 driver's license, as well as local government GIS experience and knowledge of asset management principles.

Reporting to the Manager, Information Services, the GIS Technologist implements, designs, maintains and administers Cityworks systems and related databases. Your GIS experience includes demonstrated skills and abilities working with Cityworks and ESRI platforms. You have superior customer service skills, can effectively respond to enquiries and can effectively diagnose, troubleshoot and resolve complex challenges. You are well versed in researching, designing and implementing specialized programs, and can sensitively manage private information.

Be part of a great team who works to provide exceptional service delivery and enjoys the very reasons the North Okanagan is such a great place to live, work and explore. This position offers an hourly wage range of \$33.98 to \$39.04 with an attractive benefits package and compressed work schedule.

**Resumes with covering letters, quoting Competition No. 19-09, will be accepted
until 4:00 p.m. on Monday, March 4, 2019 to:**

**Human Resources
Regional District of North Okanagan
9848 Aberdeen Road, Coldstream, BC V1B 2K9
