

## **UTILITIES ASSISTANT – GIS (STUDENT/SEASONAL)**

The North Okanagan is an exceptional place to live, work and play. With its diverse natural beauty, robust economy and extraordinary recreational opportunities, it's no wonder our residents enjoy such an outstanding quality of life. With a regional population of 90,000, the Regional District of North Okanagan (RDNO) offers a wide range of services directly to residents and through partnerships with its six member municipalities.

We have an upcoming opening for the student/seasonal position of Utilities Assistant - GIS. The successful candidate will have a Grade 12 Diploma, enrolled in or graduated from a post-secondary program related to Geomatics, Civil Engineering or Geographic Information Systems (GIS), and a valid Class 5 BC driver's licence. Demonstrated health and safety knowledge and First Aid training are considered assets.

You are physically capable of working in variable outdoor conditions to obtain field information. You can respond to the public with tact and courtesy, and have a working knowledge of land surveying and engineering practices and procedures, as well as experience with GIS. You work well as part of a team, as well as on your own.

Reporting to the Manager, Utilities Operations, the Utilities Assistant - GIS is responsible for physically locating water service valves, meters, property pins, and conducting field surveys utilizing equipment to measure and record geographic points. Duties will also include assistance in the preparation of detailed drawings, charts and plans.

Come be part of a great team who takes pride in their work to enhance the very reasons the North Okanagan is such a great place to live, work and play. This is a full-time position (40 hours/week) from approximately May 3, 2021 until August 27, 2021 with a wage of \$16.44 per hour (2020 rates) plus 16% in lieu of vacation, statutory holidays, and all other benefits.
