

UTILITIES ASSISTANT – WATER CONSERVATION (STUDENT/SEASONAL)

The North Okanagan is an exceptional place to live, work and play. With its diverse natural beauty, robust economy and extraordinary recreational opportunities, it's no wonder our residents enjoy such an outstanding quality of life. With a regional population of 90,000, the Regional District of North Okanagan (RDNO) offers a wide range of services directly to residents and through partnerships with its six member municipalities.

We have an upcoming opening for the student/seasonal position of Utilities Assistant – Water Conservation. The successful candidate will have a Grade 12 Diploma, be enrolled in or a recent graduate of a post-secondary program related to the Environment, Engineering and/or Water, and hold a valid Class 5 BC driver's licence. Previous experience in data collection and analysis or public outreach are considered assets.

You are detail oriented, have excellent customer service skills, and be physically capable of working in outdoor conditions (heat/rain/etc.). You can respond to the public with tact and courtesy, and have a working knowledge of water conservation practices. You work well as part of a team, as well as on your own.

Reporting to the Water Quality Manager, the Utilities Assistant – Water Conservation is responsible for delivering customer education programs which involve participation in public events with an outreach booth, as well as assessments of residential and commercial landscaping/irrigation for water efficiency and supporting members of the public in conserving water through Greater Vernon Water's water sustainability program.

Come be part of a great team who takes pride in their work to enhance the very reasons the North Okanagan is such a great place to live, work and play. This is a full-time position (40 hours/week) from approximately May 3, 2021 to August 27, 2021 with a wage of \$16.44 per hour (2020 rates) plus 16% in lieu of vacation, statutory holidays, and all other benefits.
