Re: Greater Vernon Arts, Culture and Youth Grant: Caetani Cultural Centre

Dear Mr. Nicol,

On behalf of the Board of Directors of the Caetani Cultural Centre Society, I would like to thank Greater Vernon Parks, Recreation and Culture for the recent grant we received in support of our North Okanagan Artist-in-Residence Project.

These funds will go a long way toward inspiring, engaging and educating both artists and the cultural community as a whole, and to encourage increased participation in cultural activities.

We have had the opportunity to initiate collaborative projects with many different organizations in the past, and this will continue. We have already begun work on the projects scheduled for this summer.

Through unique projects such as this one, we are able to carry on the spirit of exploration and creativity that our namesake, Sveva Caetani, inspired in so many of us.

We are confident that this project will give us a good foundation for similar projects in the future.

We look forward to working with the Regional District of the North Okanagan.

Thank you once again.

Best regards,
