December 20th, 2013

Patrick Nicol
Board Chair
Regional District of North Okanagan
9848 Aberdeen Rd
Coldstream BC, V1B 2K9

Dear Patrick Nicol:

Re: Lumby Mabel Lake Road - Upgrades

I am writing in response to your letter where you have outlined your support to the petition presented to the Ministry of Transportation & Infrastructure from residents on Lumby Mabel Lake Road.

On December 2, 2013 the Ministry attended a meeting with the Regional District of North Okanagan to discuss the safety concerns on this road that was identified in this petition. Representing the Ministry of Transportation & Infrastructure was District Operations Manager, Danny Morris and Area Manager, Erik Lachmuth. Also in attendance at this meeting were MLA, Hon. Eric Foster and Director Rick Fairbairn of Electoral Area "D" as well as representatives from Lumby Mabel Lake Road.

It was agreed by all present that the first priority for repair was a 1 km section of road near the park which needed widening, ditching and drainage. The Ministry has committed to building on the improvements completed last year in this location and will look to continue this work with a phased approach over the next few years as funding permits.

Should you wish to discuss further please contact District Operations Manager, Danny Morris. Danny can be reached at 250-503-3632 or by email at Danny.Morris@gov.bc.ca

Thank you for taking the time to write.

Sincerely

Steve Sirett
A/District Manager Transportation
