

**Summary – Shuswap River Lower River Advisory Committee Meeting held at the Castle on Swan Lake  
on April 7, 2017**

Decisions:

1. TOR signed off by those reps and alternates who have not yet signed.
2. Abbreviated interest statements will be circulated to all, to confirm support for posting on the RDNO website, together with the constituency descriptions and links to external websites, emails, or other means of gaining more understanding of constituencies and making contact.
3. Next meeting will be in Vernon, same venue, 9 to 4, and will focus on a deeper, more sophisticated understanding of interests, and potential solutions that address those interests.

Highlights

- Preliminary discussion of interests – more discussion required.
- Recognition of different parts of the river and the different uses and values attributed to them.
- Challenges with enforcement highlighted by RCMP officer Steve Scott. RCMP does not have a boat capable of being on the river.
