

# The do's and don'ts of Halloween

## Do:

Go out with a group.

Let your parents know where you are.

Stay in well-lit areas.

Put your phone away instead of staring at it while you walk.

Stay in neighborhoods you know.

## Don't:

Go into the home of a stranger.

Eat treats that look already unwrapped or tampered with.

Wear a costume that makes it hard to see or be seen.

Roughhouse around lit jack-o-lanterns.

Cross the street without first looking for cars.

Have a fun and safe Halloween!
