OUR FILE No.: 5760.820.940.03

January 24, 2012

Dear Sir/Madam:

**Re: OPEN HOUSE INFORMATION MEETING – Thursday, February 2, 2012
6:00pm to 9:00pm, Schubert Centre, 3505 – 30 Avenue, Vernon
Residents and Property Owners in the West Swan Lake Separation Project Area**

Following an information letter mailed to you on October 27, 2011 regarding the above noted proposed project, the Regional District of North Okanagan – Greater Vernon Water Utility (RDNO-GVWU) along with Kerr Wood Leidal Associates Ltd. wish to invite you to an Open House Information Meeting on **Thursday, February 2, 2012** from **6:00pm to 9:00pm** at the **Schubert Centre, 3505 – 30 Avenue, Vernon.**

A critical part of the project is to understand our customer's needs and to connect our customers to the correct water pipeline. As well, if you and your neighbours want a hydrant in your area and are willing to share in the cost of installing a hydrant, this can be done as part of the project and may result in cost savings to you. Should you wish to pursue installation of a fire hydrant in your area, information will be provided at the Open House.

Project completion is expected in late 2013, although there may be some areas that benefit from the works before this time.

RDNO-GVWU Engineering staff and Kerr Wood Leidal staff will be on hand to answer questions on the project.

If you have any questions or comments regarding this letter, please feel free to contact me by telephone at (250) 550 3796 or by email at: rod.pleasance@rdno.ca.

Regards,

A handwritten signature in cursive script that reads "Rod Pleasance".

Rod Pleasance, P.Eng
Project Engineer, RDNO
