Meter (required) <input type="checkbox"/> yes <input type="checkbox"/> no	Backflow Preventer (required) <input type="checkbox"/> yes <input type="checkbox"/> no							
<b>NOTE:</b>								
<p>1. Water use during off season will be charged per the current Greater Vernon Water Rates Imposition Bylaw (with application – water used 30 days before or after the irrigation season will be included in the property allocation and if applicable, over consumption rates will apply).</p> <p>2. Irrigation Season means the 5 month period from approximately mid April to mid September, as may be modified by drought or other conditions as determined by the RDNO from time to time. Application fee <u>will not be</u> reimbursed if denied.</p> <p>3. Your application <b>may be denied</b> for one of the following reasons:</p> <table style="width: 100%; border: none;"> <tr> <td style="width: 50%;">a) Operational issues;</td> <td style="width: 50%;">b) Water storage in reservoirs is low;</td> </tr> <tr> <td>c) Summer pumping conditions must be maintained if approved;</td> <td>d) Drought concerns;</td> </tr> <tr> <td>e) Water License limitations; or</td> <td>f) Other.</td> </tr> </table> <p>4. The irrigation services of applicants for the Year-Round option may be turned off for any reason in Note 3 and RDNO reserves the right to end the Year-Round option at any time without notice. It is the responsibility of the applicant to notify RDNO to initiate turn off or turn on.</p>			a) Operational issues;	b) Water storage in reservoirs is low;	c) Summer pumping conditions must be maintained if approved;	d) Drought concerns;	e) Water License limitations; or	f) Other.
