I, the registered owner of the above property, give the Regional District of North Okanagan authorization to distribute the existing water Allocation as follows:

Property Description	Water Allocation

Please Initial	Water Allocation Disclaimer (if applicable) - by cancelling Allocation to my property, I understand
	1. Giving up water Allocation may impact the resale value of this property, of which the Regional District of North Okanagan takes no responsibility.
	2. The fees to this property will be re-assessed according to the current Greater Vernon Water Rates Imposition Bylaw and will include the Infrastructure Base Fee where applicable.
	3. The Water Meter Renewal Fee will apply unless the meter is removed as per Greater Vernon Water Removal Procedure and the meter is surrendered to Greater Vernon Water. In some cases, the irrigation service may be required to be disconnected at the water main and fees may apply.
	4. If the water meter and service are disconnected and are required in the future, the service will need to be reinstalled and a new water meter purchased at the property owner's expense and installed according to current bylaws.
	5. If the property requires Allocation in the future, the property owner will need to apply to the Regional District of North Okanagan to purchase Allocation (subject to Board approval) at the rate specified in the current Greater Vernon Water Rates Imposition Bylaw.
