- NOTES:**
1. A weekly fee for service of **\$250.00** per hydrant per week or part will apply. A consumption fee of \$2.53/cubic metre will also be charged. Fees are payable to the Regional District of North Okanagan, City of Vernon or District of Coldstream.
 2. **Only those authorized by Greater Vernon Water (GVW) will be permitted to provide connection and disconnection services.**
 3. GVW will supply a connector that includes a gate valve, backflow preventer, locking mechanism, meter and, if required, a PRV.
 4. The user will be required to lock the hydrant connection whenever the hydrant is not in use or not being monitored by the user.
 5. The approved Permit (or photocopy) must be on the hydrant at all times.
 6. Resale of water from the hydrant for potable use is prohibited.
 7. The user is required to notify GVW when finished and return the rental lock keys.
 8. The user acknowledges that any and all damage to the hydrant, water system, the user's equipment or personnel, or any other damages resulting from the use of the hydrant are the user's responsibility, and will be repaired at the user's expense.
 9. GVW reserves the right to terminate this permit for non-compliance with this policy, without notice or refund.
 10. All fees for service must be paid within 30 days of disconnection of service. Interest charges will apply to overdue accounts.
 11. This Permit applies to the approved hydrant designated on this form and is not transferable to other hydrants.

Above fees are per the current *Greater Vernon Water Rates Imposition Bylaw, as amended*
