2. Eugene presented Area E budget summary and after much discussion, there was a motion regarding the proposed building inspection fee structure.

Moved by Ian Eggen and seconded by Hank Cameron that:

"Area "E" APC would like the building inspection process to be funded by a cost effective method such as user pay, not as an addition to taxes, charging everyone regardless of whether or not they use the process. NORD needs to come up with a solution that should include the reduction of staff during construction lulls that do not sustain present staffing levels. If the system shifts to a tax-based system, Area E will have to reconsider our participation and perhaps opt out of the building inspection process."

The motion was voted on and carried unanimously.

PART D) ADJOURNMENT

There being no further business, the meeting was adjourned.

Motion by Rodney Werner Seconded by Gayle Rowan

The next regular meeting is scheduled for Monday, April 30, 2011, at the Cherryville Community Hall.
