N’Kwala Park Parking Lot Paving

The Regional District of North Okanagan (RDNO) will be paving the N’Kwala Park parking lot at 5440 MacDonald Road in order to control dust and improve aesthetics. Construction starts August 7, 2018 and finishes August 16, 2018. The parking lot will be closed during this time.

“Upgrading the parking lot will result in less dust and less continual repair and maintenance”, stated Nicole Kohnert, Regional Engineering Services Manager at the RDNO. “Residents and visitors to N’Kwala Park will be inconvenienced for a short period of time, and should watch for park closure signs and notifications for the next two weeks”.

Although the parking lot will be closed to allow for work to be completed during construction, the park itself will be open for public use. Alternative access to the Park is available via Alain Road. For safety reasons, all park users are asked to stay away from the construction area.

Residents can receive instant Parks and Recreation updates by subscribing to the RDNO email list at www.rdno.ca/subscribe.

For more information, please contact our office at 250.550.3700 or email us at communityservices@rdno.ca.
