

REGIONAL DISTRICT OF NORTH OKANAGAN REGIONAL GROWTH STRATEGY

“One Region, One Future”

OPEN HOUSE I: PUBLIC INPUT FORM

Welcome to the first series of Public Open Houses for the Regional Growth Strategy, undertaken by the Regional District of North Okanagan. Please feel free to view the display boards, ask question and attend the presentation at 7:00pm.

We want your input and need to hear from you about growth issues!

The public is encouraged to provide thoughts, ideas, and concerns about the key growth issues identified through the Regional Growth Strategy process. We encourage you to provide your comments in writing. Comment sheets are available at the registration desk. Post-it notes are available at each growth issue station – so fill out a comment and post it on the display board. Please leave the completed forms in the comment box or mail/ fax/ e-mail to the address at the end of this form. We also encourage you to record your attendance at the registration desk.

Eight Growth Issues were considered as the greatest challenges to a sustainable regional future.

Economic development

Transportation and infrastructure

Environment and natural lands

Governance and service delivery

Water resources and stewardship

Urban containment

Agriculture and our food system

Affordable housing

The Growth Issues are broad categories. Think about the impact of these growth issues on your communities, what is currently working, what is not, and any suggested solutions to these growth issues. Remember; think REGIONALLY as well as locally.
