TELEPHONE: 250-550-3539

Scheduled Water Interruption on April 7, 2020

Due to scheduled maintenance on an air valve, there will be a water outage for the following roads on April 7th between 8 am and 3pm.

- Hartnell Rd
- Dixon Dam Rd
- Hughes Rd
- Maddock Rd
- Malim Rd
- Brookside Rd
- Briggs Rd

Please make necessary arrangements to have a short term water supply stored before the interruption for use during the water outage. While every effort will be made to complete the project by 3:00 pm, it may be necessary to have the water off longer.

When your water service resumes you may experience turbidity in the water. If this occurs please run your cold water for up to 5 minutes to clear your lines.

We apologize for any inconvenience that this disruption may cause and appreciate your cooperation to ensure the timely completion of this project.
