Water Restrictions Rescinded for the Mabel Lake Water System

As supply and demand conditions have returned to normal, the Regional District of North Okanagan (RDNO) has **rescinded** the Mabel Lake Water Utility water restrictions effective October 7, 2021.

Doing some yard clean up this weekend? Don't forget your taps! Winterize taps to prevent leaks. Removing hoses and protecting exposed pipes from freezing temperatures will help to avoid cracks and leaks in the spring. Visit www.rdno.ca/waterwise to learn more.
