

WATER EFFICIENCY COORDINATOR (REGULAR, FULL-TIME)

The North Okanagan is an exceptional place to live, work and explore. With its diverse landscapes and extraordinary recreational opportunities, our residents enjoy a comfortable balance of work-life activities. With a regional population of 92,000, the Regional District of North Okanagan offers a wide range of services directly to residents and through partnerships with its six member municipalities.

We have an immediate opening for the regular, full-time position of Water Efficiency Coordinator. The successful candidate will have a degree in science, resource management, engineering or a related field and hold a valid BC driver's license. Working towards a professional accreditation will be considered an asset.

You possess excellent computer, data analysis, and forecasting skills, as well as strong research and report writing skills. A minimum of four years of experience in demand side management, water sustainability or water conservation within local government, a water utility or a consulting firm is required.

Reporting to Manager, Water Quality, the Water Efficiency Coordinator develops, implements and evaluates water efficiency programs focusing on customer water usage and distribution system losses to meet the long term goals of the Regional District's water utilities. This position is responsible for providing complex statistical analysis with respect to water supply and demand, coordinating the water loss reduction program and overseeing water conservation strategies.

Come be part of a great team who takes pride in their work to enhance the very reasons the North Okanagan is such a great place to live, work and play. This is a regular, full-time position (35 hours/week) with a wage range of \$35.96 to \$41.30 per hour, depending upon experience and qualifications. As well, we offer an extensive benefits package and generous compressed work schedule.

To apply, please visit our website at rdno.ca/careers and submit your resume, cover letter and any corresponding information in PDF format quoting Competition No. 22-33.

Applications will be accepted until 4:00 p.m. Monday, November 21, 2022.

*We thank all interested applicants, but only short-listed candidates will be contacted.
No telephone or email enquiries please.*
