Per the current Greater Vernon Water Rates Bylaw:

1. The water service will be turned on by the Operator and billing shall commence immediately at the initial and first full Quarter rate of the Unmetered Fee for a maximum of one (1) year until the permanent Water Meter is installed and enrolled into the billing system. If after one (1) year a meter has not been installed, the Unmetered Fee will escalate to the next tier(s). Appropriate Backflow protection must be installed prior to “turn on” and tested with a completed Backflow Assembly Test Report submitted to the RDNO within 10 business days of “turn on” or the water service will be turned off and an Operator Service Fee charged for the turn off.

Fee: \$350 per quarter (up to one (1) year)

Type of Backflow Preventer: _____
