NOTICE

The Regional District of North Okanagan (RDNO) accepts backflow assembly tests completed by the companies above or any tester certified by BC Water & Waste Association (BCWWA). This list is provided as a courtesy only to assist our customers in contacting local certified testers and does not constitute an endorsement or approval of those businesses listed.

For a business to be added to this list, they must submit a copy of a valid Backflow Assembly Tester's Certificate. RDNO does not require these businesses to provide evidence of business licenses, insurances, bonding expertise, competences, qualifications or any other criteria or considerations.

While RDNO uses reasonable efforts to include accurate and up-to-date information in this list, it does not guarantee that the information on the list is complete or error free. RDNO is neither responsible, in whole or in part, for service fees, material or labor costs incurred, nor quality of workmanship provided by the businesses on this list.
