- Prepare to move persons with disabilities, children or neighbours, if assistance is needed.
- Prepare to take pets with you and move livestock to a safe area (if possible).
- Arrange transportation for all household members. Fill the gas tanks of personal vehicles.
- Arrange accommodation for all members of the residence, if possible.
- Wait for an Evacuation Order to be issued before evacuating.
- Monitor the news, radio and online sources for information on evacuation orders and location of Reception Centres.
